Double your opportunities.

Introducing our new Duplex Photo Printer—a compact duplex printing solution with the exceptional print quality and reliability you’ve come to expect from us. Now you can break free from the 4x6” rut and deliver the fantastic borderless duplex products your customers prefer.

**KODAK D4000 Duplex Photo Printer** is sure to wow them with its rich photographic detail and double-sided printing. Capture their attention with vivid, borderless Premium Double-Sided Photo Books, Calendars and Greeting Cards printed on KODAK Paper for memories that will last a lifetime.*

**A Lucrative Market**
Reap the rewards of a growing market for high-demand premium photo products with this efficient printer.

**In Store for More**
Drive traffic with D4000’s on-site fulfillment of orders taken in store or online. Compact and flexible, this powerful printer integrates seamlessly with your existing KODAK Picture Kiosks, KODAK Adaptive Picture Exchange (APEX), or stand-alone PC workstations.

**Exceptional KODAK Quality**
The D4000 prints rich, bright colors and sharp text on KODAK XTRALIFE Photo Book Paper that lasts a lifetime* and drives customer preference.
